**WELCOME  
TO THE  
NEIGHBORHOOD**

Welcome to St. Clair Place!!! (SCP). SCP itself consists of 1000+ homes with its official boundaries being 10th St, Michigan St, Rural St, and Tecumseh St. We are one of many metro neighborhoods that make up Indy's "Near Eastside" community (learn more @ <https://www.nearindyguide.org/>). The St. Clair Place Neighborhood Association (SCPNA) is an official 501c3 nonprofit organization that aims to celebrate SCP and represent its residents' best interests when communicating with local government and private businesses. Participation in the SCPNA is entirely voluntary. You can become a SCPNA member, attend meetings, and take part in events.
